

This document can teach you about the 12 women who have had an immeasurable impact on the lives of other people. The women are named not by rank or station, but by what they have achieved. You can be sure that these 12 ladies influenced everyone around them, even though every one of them has a completely unique story to outline. Each woman is described meticulously through examples of events in their life and through anecdotes from those close to her. This information also includes short descriptions of what most people consider their most familiar achievements and titles related to her work in society. Mujeres extraordinarias. 12 mujeres extraordinarias john macarthur pdf, a book by John D. Macarthur Jr., contains the biography of 12 women in history who have had a big impact in society. I have read this book and I believe that it is going to be a good source of reference material for you when you need to find out more about these ladies. This is because each woman has her own story and it is said that they have contributed greatly towards the world we live in today. In this report, you will gain an understanding about what these women have been doing in terms of their achievements and how they came up with them all on their own. These women have been great assets to the society and they have been considered as indispensable pillars of society. The 12 women featured in this book are: Johana Santos-Dieguez, Rosa Parks, Rosa Luz Villanueva de Garay, Edith Stein, Johana Manzanero Benitez, Corazon Aquino, Kateri Tekakwithia, Philomela Peralta-Alvarez, Audie Murphy, Audrea Gump Berryman, Karla Nelida Caballero Garcia and Cecilia Muñoz.
